Four Mile Beach

Port Douglas

On your journey from Cairns you'll encounter beach after beach as you meander along the Cook Highway on the 1 hour drive north to Port Douglas. Hugging the coastline on this scenic drive, you'll take in one of the most impressive coastline vistas Australia has to offer.

Make the turn into Port Douglas from the highway and you'll know you've arrived as you're met by a complement of date palms lining the street like an exclusive driveway of a Hollywood residence. Centrally located, Shantara Resort Port Douglas is just a few moments walk from Macrossan Street, Four Mile Beach and the Marina Mirage on Davidson Street.

Known for its village atmosphere but with a hint of sophistication and luxury, Port Douglas is the ultimate point from which you can explore the World Heritage listed rainforest and Great Barrier Reef.
